This can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
●   Bullying is recognised by the school as being a form of Child-on-Child abuse. It can be emotionally abusive and can cause severe and adverse effects on children's emotional development.

Bullying can happen to anyone. This policy covers all types and forms of bullying including:

●   Bullying related to physical appearance

7) New Direction School ethos

New Direction School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe environment, where young people are able to learn and fulfil their potential.

Our School:

●   Monitors and reviews our anti-bullying policy and practice on a regular basis.
●   Supports staff to promote positive relationships to help prevent bullying.
●   Recognises that some members of our community may be more vulnerable to bullying and its impact than others. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.

- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our young people are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school's response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision- making, as appropriate.
- The Deputy Headteacher/Designated Safeguarding Lead (DSL) or another member of leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentially policies.
- Consequences, as identified within the behaviour policy, and support will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by young people takes place off site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other provision/schools.
- Appropriate action will be taken, including providing support and implementing sanctions in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying
When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.

● Take all available steps where possible to identify the person responsible. This may include:

- looking at use of the schools' systems.
- identifying and interviewing possible witnesses.
- contacting the service provider and the police, if necessary.

● Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

- Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
- Confiscating and searching young peoples' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy.
- Requesting the deletion of locally held content and content posted online if they contravene provision behavioural policies.

● Ensure that consequences are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
● Inform the police if a criminal offence has been committed.
● Provide information to staff and young people regarding steps they can take to protect themselves online. This may include:

- advising those targeted not to retaliate or reply.
- providing advice on blocking or removing people from contact lists.
- helping those involved to think carefully about what private information they may have in the public domain.

Supporting young people

Young People who have been bullied will be supported by:
● Reassuring the young person and providing continuous pastoral support.
● Offering an immediate opportunity to discuss the experience with a teacher, Support Assistant the Designated Safeguarding Lead, or a member of staff of their choice.
● Being advised to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience as appropriate.
● Working towards restoring self-esteem and confidence.
● Providing ongoing support; this may include working and speaking with staff, offering formal counselling, engaging with parents and carers.

● Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to specialist agencies.

Supporting adults

Our school takes measures to prevent and tackle bullying among young people; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by young people, parents, or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:
● Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the Deputy Headteacher(s).
● Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
● Where the bullying takes place off site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour policy.
● Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
● Reassuring and offering appropriate support.
● Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults who have perpetrated the bullying will be helped by:
● Discussing what happened with a senior member of staff and/or the Deputy Headteacher(s) to establish the concern.
● Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
● If online, requesting that content be removed.
● Instigating disciplinary, civil, or legal action as appropriate or required.

9) Preventing bullying

Environment

The New Direction community will:
● Create and support an inclusive environment which promotes a culture of mutual respect, consideration, and care for others, which will be upheld by all.
● Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (Child on Child abuse).
● Recognises the potential for children with SEN and disabilities to be disproportionally impacted by bullying and will implement additional pastoral support as required.
● Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality, or appearance related difference.
● Challenge practice and language (including 'banter') which does not uphold the New Direction values of tolerance, non-discrimination, and respect towards others.
● Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
● Work with staff, the wider community, and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
● Actively create "safe spaces" for vulnerable children and young people.

● Celebrate success and achievements to promote and build a positive ethos.

Policy and Support

The New Direction community will:

● Provide a range of approaches for young people, staff, and parents/carers to access support and report concerns.

● Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.

● Take appropriate, proportionate, and reasonable action, in line with existing policies, for any bullying bought to our attention, which involves or effects young people, even when they are not on provision premises; for example, when using provision transport or online, etc.

● Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.

● Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The New Direction community will:

● Train all staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.

● Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, etc.

● Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.

● Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.

● Provide systematic opportunities to develop young people's social and emotional skills, including building their resilience and self-esteem.

10) Involvement of young people

We will:

● Involve young people in policy writing and decision making, to ensure that they understand our approach and are clear about the part they play in preventing bullying.

● Regularly canvas young people's views on the extent and nature of bullying.

● Ensure that all young people know how to express worries and anxieties about bullying.

● Ensure that all young people are aware of the range of consequences which may be applied against those engaging in bullying.

● Involve young people in anti-bullying campaigns and embedded messages in the wider curriculum.

● Utilise pupil voice in providing pupil led education and support.

● Publicise the details of internal support, as well as external helplines and websites.

● Offer support to young people who have been bullied and to those who are bullying to address the problems they have.

11) Involvement and liaison with parents and carers

We will:

● Take steps to involve parents and carers in developing policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.

- Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the New Direction website.
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for young people, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

12) Monitoring and review: putting policy into practice

• The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
• Any issues identified will be incorporated into the school's action planning.
• The Deputy Headteacher will be informed of bullying concerns, as appropriate and will report on a regular basis to the Proprietor on incidents of bullying, including outcomes.
